

27th Annual
Dutchess County
St. Patrick's Parade

OUR HISTORY

In the fall of 1995, several members of the community and the Kevin Barry Irish Club gathered together to discuss the idea of a Dutchess County St. Patrick's Parade.

This idea became a fact when, on March 9, 1996, with the help and blessing of St. Mary's Parish and the Wappingers Falls Village Board, the first Dutchess County St. Patrick's Parade stepped off, at 1:00PM from St. Mary's parking lot in Wappingers Falls.

Now entering our 27th year, the Parade has grown into the very enjoyable and dignified event that attracts thousands of participants and spectators from near and far.

We are a not for profit organization that relies totally on the generosity of our sponsors and donors. We need your help to make sure this year's parade is the best one yet. We hope we can count on your financial support and we look forward to seeing you at the Parade!

FLOAT REGULATIONS

Any organization that wishes to enter a float in the Dutchess County St. Patrick's Parade must file float theme and design with the parade committee for approval. Float entries must display an Irish Cultural theme and not be obscene or derogatory in nature. Music should reflect Irish heritage. A full description of the float must accompany the application. **The float must arrive by noon parade day.** All floats are subject to a safety inspection by a Parade Committee member. All floats must adhere to the NYSDOT and DMV rules and regulations for road and travel. The view of the driver must not be obstructed. It is recommended that safety personnel walk alongside the float for the drivers benefit. **On approach of an emergency vehicle, all units must give way and move to the far right as quickly as possible and stop.** Each organization must have representative check in at the registration truck to pick up a number which must be prominently displayed on the float. Floats without a visible number will not be judged. If a float leaves the line of march, they must use a safety person while re-entering.

All organizations and operators of floats must adhere to the Parade Rules and Float Regulations

- ◆ The view of the driver must not be obstructed.
- ◆ Grab bars or handles should be placed for riders.
- ◆ The float must be structurally sound so that there is no risk of collapse during the parade.
- ◆ People on floats MAY NOT hang over the side at anytime.
- ◆ Consider fire danger and carbon monoxide hazards.
- ◆ You must provide safety persons on the street at the front, rear and sides of the float.
